Tennessee Lions Outreach
At
Vanderbilt Children's Hospital

Consent of Parent/Guardian

The Lions Clubs in your community in conjunction with the Tennessee Lions Eye Center at Vanderbilt Children's Hospital will offer free vision screening to your child. The screening will provide a digital reading of your child's eyes. No physical contact is made with your child and eye drops are not used. Results will be returned to screening site where they will be available to you within a few weeks.

I, the undersigned, hereby give permission for my child, named below, to participate in the screening event. I understand the following regarding this program:

1. The information obtained from this vision screening is preliminary only, and does not constitute a diagnosis of vision problems.
2. There is no charge to participate in the vision screening process.
3. I understand that I am responsible for arranging a full eye exam if my child is referred as a result of the vision screening. I give permission for my doctor to share the evaluation results with Vanderbilt University.
4. I will not hold either the Lions Club Organization of Vanderbilt University accountable for any errors of commission, omission or other misdiagnosis.

_____ **Pass** We are unable to detect a vision problem at this time. The screening is not a substitute for a complete exam. Consult your eye care professional if you suspect a vision problem.

_____ **Refer** Your child should be examined because he or she may have the following condition that has the potential to cause poor vision in one or both eyes:

- _____ Anisometropia (Difference in need for glasses between eyes; can cause poor vision in one eye)
- _____ Astigmatism (Possible need for glasses)
- _____ Hyperopia/High Farsightedness (Can contribute to eye crossing)
- _____ Myopia
- _____ Other
- _____ Unreadable, Refer (We were unable to obtain acceptable reading)

If you have any questions about the screen process of results, please call the Tennessee Lions Outreach Program at Vanderbilt Children's Hospital at (615) 936-1623 or toll free at (877) 880-2353.
