Parent and Teacher Agreement

We are looking forward to a wonderful year with your child. There is much to learn and accomplish. We know that we will work together as a team for the benefit of your child.

Preschool is not a mandated program for your child, but a unique opportunity to provide the best experiences for your child. We do expect your child to be at school on time each day, and we will work toward the goal of self-control by following classroom rules.

Failure to meet the requirements outlined in this handbook may result in removing the child from the program. In the event that this should occur, notice and opportunity for correction will be given before the child is removed from the program. The director will communicate with the parent/guardian the reason for removal and reasonable time will be given to correct the situation. If the situation is not resolved to the satisfaction of the director, the child will be removed from the program.
